Reminder to Parents:

Please remember to apply sunscreen to your children and put them in their bathing suit before coming to school on sunny 75 degree days, we will have water play. They can wear their clothes over the bathing suits. Please be sure to pack a label a pair of underwear to change into after water play. If your child is here for afternoon recess, you may leave a labeled bottle of sunscreen in your child's cubby for reapplication in the afternoon by a teacher.

If you haven't already done so, please change your child's extra set of clothes (located at the bottom of their cubby's in clear bins) to summer clothes. Please include socks and underwear. Socks must be worn in the gym at all times.

Playground Safety Notice:

Children have been coming in with flip-flops and platform shoes. Though these may look cute with their outfits, they are not practical for playground equipment. Toddler & Preschool Graduation 2017

Last month, the students were very busy preparing for their graduation ceremony. The children were very excited to sing songs and perform a special dance for their loved ones.

All the students did a great job and we are extremely proud of them! Thank you to all the parents who brought in goodies for the graduation party! It was much appreciated! Pictures of the graduation ceremony were uploaded onto the Child Care Plus website and Facebook!

In July, the students will have themes of “At the Beach”, “Under the Sea”, and “Camping”! The children will learn the names of different shells and several facts about various sea creatures. There will be real shells to examine and plastic sea creatures to play with in the water table. A field trip to the local beach will be planned to enhance this educational unit. Other themes the children will explore in August will include themes of “Going on a Trip to Hawaii”, “Under the Big Top”, and “Spirit week”!

Toddler Town News

July

July finds the children exploring “Life at the Beach”, “Under the Sea”, and “Teddy Bear Picnic”! Dramatic play will include pails and shovels, seashells, pirate ships and treasure chests. We will sort and match starfish, sing a counting song called “Five Little Sea Creatures”, and enjoy the sand and water tables as well!

Some crafts for summer include a starfish, octopus, and some colorful jellyfish! In our theme of “Camping”, we will learn about the insects and animals that live in the woods while enjoying our campground during dramatic play, complete with a tent and camping gear.

August

Summer themes in August include “Camping”, “Taking a trip to Hawaii”, the children will play with train sets, use building blocks and cars, and enjoy water play with boats too!

Circus week will surely be fun as we enjoy make-believe and dress-up, pretending to be clowns, acrobats, and the ringmaster too! The toddlers will have their own “Big Top Circus” in the indoor gym. This is always a favorite among the children!

The final week of summer is spent celebrating spirit week. The children will participate in various songs and a different daily theme to show their school spirit!

From the Infant Corner

We've had a busy month and with summer here, things will continue to be busy for everyone. Please remember to apply sunscreen to your child before coming to school and send a hat for your little one as well. Check your child's spare clothing to be sure it is size and season appropriate!

We would like to welcome a few new friends to the infant room. Theodore, Sophia, and Anabella have joined the infant group. Maverick will be moving into the Toddler room and Charlotte is now walking unassisted!

All of the children are growing and progressing quickly, and we look forward to seeing the changes that will take place these next two months!
